

Alyeska Incorporated, developer of Big Bear Lake Camplands has an immediate need for two full time employees.

Truck driver/equipment operator: Must have tractor-trailer experience. Class A CDL is preferred, but not required for operation within campland. Experience operating dozers, bobcats and boom trucks is a plus, but not required.

Utility lineman/equipment operator: Ideal candidate would have Journeyman electrical certification and capable to operate aerial boom trucks.

Big Bear Lake Camplands is located 3 miles south of exit 29, I-68 in West Virginia. We offer full time year round employment. Employees receive health insurance, 401-K retirement, and paid vacation after required waiting period.

For more information contact Mark Schooley, general manager, at 304-379-4382. You may email a resume to bentfattire@aol.com
