About This Role

Job Description

Position Purpose:

Warehouse associates are an essential part of The Home Depot's distribution network. They load and unload trucks, move material within the facility and from the loading platform by carrying, pushing, rolling or operating hand trucks, forklifts, hoists, motorized conveyors, or other material handling equipment. They safely operate forklifts or other machinery in order to complete tasks such as loading, unloading, sorting, staging, and transporting products. These positions include General Warehouse Associate and General Warehouse Associate II.
